EDUCATION

Rungta College of Engineering and Technology, Bhilai **2024 – 2028**
B.Tech - Computer Science and Engineering (AI/ML)- ***SPI : 8*** *Bhilai, India*

Govt School of Excellence, Chhindwara **2024**
Higher Secondary (PCM)- ***86*** *Chhindwara, India*

PROJECTS

RAG Chatbot | Python, LangChain, sklearn, FastAPI, CSS **2026**

- **Description:** Built a RAG chatbot to provide accurate, context-aware responses.
- Used LangChain and embeddings for efficient document chunking and retrieval.
- **Skills:** Python, FastAPI, LangChain, Scikit-learn,REST APIs, CSS

Message Spam Classifier | Python, Pandas, Streamlit, NLP ,Scikit-learn **2026**

- **Description:** Built a ML model to classify spam messages using NLP techniques.
- Implemented Multi-Head Attention from scratch to enhance feature extraction.
- **Skills:** Python, NLP, Embeddings

Cortex-Lite AI | Python, Google Gemini API, LangChain, Streamlit **2026**

- **Description:** Built lightweight context-aware AI assistant for fast query processing..
- Used LangChain memory and prompt engineering to improve responses
- **Skills:** Python, LangChain, Scikit-learn, NLP, Embeddings

Retail Daily Revenue Analysis | Python, Pandas, NumPy, Matplotlib, Streamlit **2025**

- **Description:** Performed EDA on retail data to identify growth patterns..
- Used Pandas and NumPy for large-scale data cleaning.
- **Skills:** Pandas, NumPy, Data Analysis,EDA, Matplotlib, Streamlit

AI Chatbot | Python, NLP, LLM APIs, **2026**

- **Description:** Developed intelligent conversational agents for automated problem solving
- Built a project using RAG bot and FastAPI.l
- **Skills:** Python,fastAPI,NLP,llm

ML Learnings

Linear Regression — **Logistic Regression** — **KNN** — **Decision Tree** — **Confusion Matrix**

Technical Skills

Languages: Python,SQL,Html
Technologies: GitHub, Git, Streamlit, Gradio, Hugging Face
AI/ML Specialties: NPU Optimization , RAG , Local LLM Orchestration, PromptEngineering
